1. You will transform nations. You will move in loveliness. You will move in beauty. You will lift the fallen and exalt yourself never; meekness personified in glorious display of My son, son, one, one are. I love you. Patrimony of Me not, putrefication of nothing of Mine house, which now purifies itself, seeking wisdom and holiness from the Most High, My Father, Me, you. I love you.

2. Into the holy of holies seen and all being understood and cataclysmically conveying it to the hungry and letting the others let their let and consume their lust. Me being Me resides in Me in holiness and fear of the Lord not, not in fear, fear that paralyzes, immobilizes, taints, restricts, pulls, holds back; but that which propels righteousness, holiness and fear of the Lord, His holiness, holy being; retrieving not, being, revealing, that which was/is in you all the time, shadow'd over by greed, self-control and who do you think you are anyway, Me or you? Answer you/Me/us. I love you.

3. Taint not that which you don't understand calling color'd, black; and white, gray; and darkness, light. Call not as you see it shadow'd so but righteous'd eyes see Me/it all in holiness and fear of the Lord which propels intimacy, not repels.

4. I take you to the nations; you bow, you plead, you suffer before them not in agony of body but intercession/travail for the souls not of men but of Mine/Me, of Me in them that they take to the grave not but birth Me in their minds. I love you.

5. See I have said it/so much, so powerfully, so quickly as on My campus I drive and write and speak so proclaimingly My love of righteousness in My swollen not, My demised not, My who love Me so little knowing not My name or theirs. So many thinking they are so mature and naked, destitute are in their arrogant insolence appearing humble/knowledgeable before others. I love you.

6. Into jets, planes of all sorts I take you now in planes of/to righteousness be/model before Me/My/our brethren and sunset comes so quickly, for dawn upon a new day is so soon/cataclysmic and so many shakable and roll over to play dead in their fear/dread of knowledge. I love you. I give you Me.

7. Planes at sunset, way before, now. Into the sunset flying into many lands taking My words, release of My words, power of My word through their own mouth/hearts/lives/commerce. Nation builder promiser I promise. I love you.

8. Into the seen as reality, and unreality falls helpless, hapless and who can stand the day of My appearing when all else fails and thought-secure becomes swollen with the knowledge that is isn't and placates not more the morbid.

9. I take you into countries unseen and uncomprehended, unmapped on your other's maps. Into cartographer school I enroll you with Me as teacher, trainee, pupil, attender, graduater, you, Me, one. I love you deeply. I touch your brow. Your sensitivity increases/enlarges and mobilizes at dawn+ and before, to sensitize others to the time of day not, My appearing in them and who I they are: I Am. I love you.

10. Ridicule none. Mock not. Laugh not in error or insinuation at the sincere or insincere. I love you. All have their place in the lake of fire they create, or Me, Peace. Morbidity none, nonexistent. Dirges don't exist, in Me.

11. I lovest you thou Me. I take your hand and lead you to the Promised Land. You knew it existed. You knew I had one for you. I have one for all but few have fought, tried, taken the heat/flack and rejected brethren for Me.

12. I make all things new and I give you 10 fold, 7, yea 110 and more X more and I alone conquer My grave, now Me, Me'd ones you take My appearing to and release Me into where I am already.

13. I give you Me, education, commerce, government financial matters that transcend the encompassed mind shadow'd, but light formeth the womb and brings Me forth in El. I love you. I give you Me.

14. Compassed about by Me you are in all My splendor, regalia, raiment of only me, My wings yours now and us/we coming forth as beauty not, Beauty; before day, before nightfall. Amen. Glory hallelujah. Amen.

15. Into Me see the meekness required, the holiness unvirtue'd by man but virtue'd of Me, alone. I love you. Virtual not, real and empirical Me and into you this day a child is born in the city of David not, Tulsa Oklahoma and many form a range for Me now into networks of constellations never broken again. I love you.

16. Tell it all, all. Tell all. Tell Me all, when, as, I say reveal; for who can stand the heat of truth? So metered make so many Me/we do.

17. Trial and error not, perfection standeth erect in only Me, My Father's son, one, us. Now you expanding all of Me into Me to truth be and bread of heaven break with each other at one table, one table, in/of every nation tribe and tongue and label; bar none. I love you. Me.

18. Thank you for turning into My light, to write, to be My Father's keeper not, revealer big time, without time, and big beyond comprehension/imagination; meekness required and riding on. I love you.
See.
On, on meekness; bowing before your brethren and let the ridiculers ridicule for Ted you bow before an audience of one, Me. I love you. Thee-ing My fellow man. Thank you. Yours, Mine, ours, one blood, one Father of grace who made all this possible and tonight is the night. Grace, grace, Grace, you upon Me, our Father. One Me'd, one'd Me'd, Me'd one Me'ing others in grace, glory and meekness, bowing before all, hands clasped often, unnecessary often; unrighteous, except for righteousness.

19. Seen and understood, Trinity Trinity-ized at last and all known and death defeated.

20. My enemy for a song not, I love My all. I love you. You are a priest in the order of Melchizedek. I promise/promised. I recant ne'er a word and you don't either. Capitulate a concept/thought, never entertain the thought. I love you.

21. I give you Me/all.

22. At sunup not, now. Available time, zero. I love you.

23. Goodnight. Minutes not, moments not; twinklings. Amen.

24. Good holiness. Good righteousness.
I call 'em as I see 'em. Smile. My holiness resides/increases.

25. Goodness and holiness shall follow you all the days of your life, long Ted, long; and your seed forevermore entertaineth Me this night.
Amen. Glory hallelujah. Amen.
All is well with My/your soul.
